

The Hale School Foundation Indigenous Scholarship programme was established in 1997. Its purpose is to offer secondary boarding and day school educational opportunities to Indigenous students from all parts of Western Australia.

Hale has previously provided scholarships to Indigenous students from the Kimberley, Pilbara, South West and metropolitan area; however most students have been from the Kimberley.

Hale School welcomes applications from boys with Indigenous heritage entering Year 7 to Year 10 in 2025. Scholarships are available for both day boys and boarding students who reside regionally.
